Dear Billy Garfield Scholarship Fund

Thank you so much for giving me the chance to go to basketball camp, this summer. I really had so much fun and got to meet a lot of great people. I got a chance to learn more about basketball; meet new friends and participated in team work. I really liked all the coaches and even got to meet Jarret Jack. If it wasn't for your scholarship, my mom wouldn't have been able to afford it on her own. It made my summer so much fun; I didn't mind getting up extra early, so I wouldn't be late. I sometimes wanted to stay later, because it was so much fun. Thank you again for being so generous.

Sincerely,
Gregory [REDACTED]
