Dear Billy Owrfield Scholarship
Fund,

Thank you for letting
me join basket ball city.
I had so much fun and
I learned a lot.
I learned how to shoot
better, dribble better and pass
the ball better. I feel like I
became a lot better everyday.
I do love there because I learn
a lot each day. I wish
I can go back next year.
Thank you again for giving me this
opportunity.

Sincerely
Jingli.
